

Administrator Vacancy Posting

In the event of the vacancy in a principal, assistant principal, or program director position, the Superintendent is directed to conduct an open, public search for candidates to fill the vacant position. If, in the determination of the superintendent that an open search will be unsuccessful at that time, the Superintendent, with board approval, may appoint an individual to an interim position to last for no more than 1 year during which time an open search will be conducted.

Adoption Date: July 22, 2004

Revised: January 8, 2015
