

Emergency Substitute Teachers Wanted

The influence of
a good teacher
can never be
ERASED

Attention College Graduates!

Do you want a flexible work schedule with no weekend hours? Do you enjoy working with children and have skills that would serve well in classroom management? If you have a BA or BS degree and fit this description, being an emergency substitute teacher may be the job for you. We also are continually seeking qualified state certificated substitute teachers for daily and long-term assignments. We would love to have you join our team!

- ✓ Have you always wanted to use your knowledge and skills to influence young minds in our community?
- ✓ Have you ever thought about teaching school (grades K-12)?
- ✓ Are you interested in working with students with special needs?
- ✓ Do you have a Bachelor's Degree?
- ✓ Are you available to work on a day-to-day basis with short notice?

We are looking for qualified candidates to sponsor in obtaining their Emergency Substitute Teacher Certificate. **If you already have your teaching certificate and want to be a Substitute Teacher, do not apply to this position.**

Substitute Teachers earn \$135.00 per full day

- Earn extra income
- Immediate openings
- Weekends and summers off

Essential Functions:

- Be able to accept positions with little notice
- Be willing to work at any building and within any grade level, content, or program depending on need
- Teachers assigned content with a high degree of skill which may include an assignment to a combination grade-level classroom
- Delivers instruction using the prescribed curriculum and provides for individual differences
- Integrates technology into learning
- Works as an enthusiastic part of a learning-centered environment believing that each student can learn
- Maintains effective, positive classroom management
- Provides a safe environment and handles discipline in a positive manner
- Works and plans cooperatively and collaboratively
- Treats co-workers, supervisors, students, parents and others with dignity and respect at all times
- Serves as a positive role model for students and practices the behaviors that are expected of our students
- Maintains regular and punctual attendance and hours of operation as set by the assigned building/location to carry out the duties and responsibilities of the position to achieve program requirements

Please contact the District Receptionist to discuss, 360-354-4443. If approved, you will be asked to come to the Lynden School District Office to pick up the Emergency Substitute Packet and complete the necessary forms for employment including the instructions necessary for securing your certificate from the Office of the Superintendent of Public Instruction.

NOTE: Employment is conditional upon successful completion of WSP/FBI background and fingerprint checks. The associated fees for fingerprinting and certification are the applicant's responsibility.
